- C++
- C#
- Java
- Swift
- Android
- IOS
- PHP
- JavaScript
- HTML
- CSS
- WordPress
- Project Management
- MySQL
- REST APIs
- JSON

EXPERIENCE

INTERN • BROWARD COLLEGE • JAN-2017 - CURRENT

I was project manager of a great team assigned to renovate the computer science's department website. We used WordPress and an array of other tools and plugins, including but not limited to GitHub, Migrate Db, Doodle, and Trello.

PAPA JOHN'S PIZZA • AUG-2014 | JAN-2016

I was responsible for preparation, order entry, and delivery.

TECHNICAL SUPPORT • TELEPERFORMANCE (ATT) • DEC-2014 | SEP-2015

I provided customer service for any calls that the previous customer service agents couldn't provide. We resolved anything from making a phone bill payment to a complete diagnostic, repair and replacement of the mobiles devices carried by ATT.

EDUCATION

ASSOCIATES • JAN 2016 - MAY 2017 • BROWARD COLLEGE

- Computer Programming and Analysis.
- Honor Roll.

SUMMARY

I am a graduate with an Associates of Science Computer Programming and Analysis degree. While in school I've learned and rigorously practiced multiple programming languages those pertaining to my degree and more. I'm a very quick learner, extremely driven, passionate, love challenges, I'm transparent and a great team player.
